

East Campus **ALL CURRENT 6TH – 7TH GRADERS MUST COMPLETE & RETURN THIS FORM BY 4/28/17.**

Dear Parents of future 7th-8th grade students:

KTEC will continue to offer music choices to students during the middle school elective block. These choices will be band*, orchestra*, choir, or art appreciation.

***Band and orchestra participation requires band/orchestra teacher approval. Approval is based on prior experience.**

Art Appreciation is an exploratory class focusing equally on aspects of art and music. Although the class is taught by two teachers based on their focus, one grade is given acquired from collective assignments.

Choir is a class where fundamentals of music and singing are taught, practiced and performed. Participation in concerts is required. Dates will be provided in the class syllabus at the beginning of the school year.

Each student will continue to receive instruction in physical education, art, and Spanish. All band and orchestra students will be allowed to continue in these programs.

*Students will have the opportunity to choose an elective each school year; however, once the choice is made, it **will not be changed** throughout the school year.*

Please complete the form below and return to teachers by Friday, April 28th. Classes (choir and art appreciation) will be filled based on the date of return of the slip and availability of spots in the classes.

If you have any questions, please contact school administration by calling 262-359-3800 at East Campus.
