SAFETY FIRST!!!
Getting To And From School

City Bus
If your student is planning on taking a Kenosha city bus, you can find bus fares, times and schedules at www.kenosha.org/departments/transportation.

Drop-Off
Students should arrive to school between 8:00 and 8:15 (Students will start entering the building shortly after 8:15; teaching starts at 8:20). If you have a Kindergarten, or 6th Grade, student it is recommended that you drop them off at the 32nd Avenue drop off area. Please come from the North, or 52nd Street, on 32nd Avenue and drop them off at the designated area (reference the map provided) and continue on to 60th Street. If you have a 1st grader it is recommended to drop them off on the 33rd avenue drop off area. Please come from the South, or 60th Street, and continue on to 52nd Street. We recommend that any family with multiple children drop off everyone by the area in which their youngest child lines up. 58th Street will not be utilized for drop-off. The area will be kept clear to make 32nd and 33rd avenue streamlined.

4K will be using the parking lot located on 33rd Avenue to drop off their students. Please use the southern-most entrance to enter, and the northern-most to exit (reference the map provided). Pick up for 4K will be the same way. No parking is permitted in that parking lot; it is or staff use only.

Please adhere to the following guidelines to help with traffic and safety issues, as well as respecting the neighboring community:

1. First and Foremost, please show respect, common courtesy, and driving etiquette to our fellow parents. I know that this isn’t the most convenient area to drop-off and pick up your child (and can be frustrating at times), but that is no one’s fault. Please consult myself, Mr. Hodges, if you have any questions or concerns. If it is an immediate need and you do not see me outside, call the office and they will call me to your location to assist.

2. Please stay in your vehicles and a staff member will help your student out of the vehicle. Please make sure that when they reach the designated drop-off area they have everything they need and are ready to exit the vehicle.

3. Please do not pull into, or block, anyone’s driveway. They have been very courteous, and patient, with the arrival of our school to their community; let’s be respectful of our neighbors and their property.

4. As posted, the entire area around our school is a no parking zone. This means that if you exit your car on our side of the street you can be ticketed by the police. It has happened before and I don’t want it to happen again. As long as you remain in your vehicle, with it running, you cannot be ticketed.
5. To ensure safety for all, and to assist in traffic flow, please do not drop off on the opposite, or non-school, side of the street (No crossing guards, or safety patrol, monitor our crosswalks).

After drop off, students should line up to enter the building. If you want to walk your student to their lines, please park in the parking lot on the north side of the gymnasium.

Kindergarten will line up and enter through Door 1
1st Grade will line up and enter through Door 4
2nd Grade will line up and enter through Door 2
3rd Grade will line up and enter through Door 3
4th Grade will line up and enter through Door 2
5th Grade will line up and enter through Door 3
6th Grade will line up and enter through Door 14

**PICK UP**

Students in Kindergarten will be released on the 32nd Avenue side by Door 1. 1st Grade will be released on the 33rd Avenue by Door 4. The rest of the students will exit via the doors they enter in the morning. There is some room to “park” in front of the school on 58th street, but not much. Please don’t try and squeeze in; most likely you will be blocking the flow on 32nd or 33rd avenue. The best way of picking up your student (if they are not in Kindergarten, 1st, or 6th grade where there are pick up spots by where they exit the building) is communicating with your child which side (32nd or 33rd avenue) you would prefer they be near. That way we can look for your car, confirm that they are leaving with the right person, and get them safely on their way.

**Inclement Weather**

If weather conditions are such that students cannot line-up outside for drop off, they will enter the building through the doors they normally enter in through. We will have supervision provided for them inside the building.

**KTEC Konnections**

Students that arrive before 8:00 am will be expected to report directly to KTEC Konnections, our before and afterschool extended learning program. Please use Door 13 on 32nd Avenue for Konnections. Konnections is available from 7:00 a.m. – school starts, and afterschool from dismissal until 6:00 p.m. Parents are expected to register their child/children for Konnections if this service is needed. Enrollment forms and further information can be found in the main office and on the website.
