Chorus Homework Practice Sheet: Minimum of 50 minutes a week; or 10 minutes a night 5 times a week. If you did only two nights you could do 20 and 30 minutes; or 50 minutes in one night. You may chose however you practice as long as it is 50 minutes a week. This needs to be done in order for students to memorize all of the words for their upcoming spring music concert.

Chorus Homework Practice Sheets are available in the choir classroom and on the chorus website: <http://ktec.kusd.edu/middle-school-choir/> All students were e-mailed the lyrics. All students who wanted a practice CD were also given a practice CD to play at home. You will need Internet access and a printer to print any sheets or forms from home, otherwise they will always be in the choir room.

If the Homework Practice Sheet is LOST, STOLEN, eaten by the dog or goldfish, the student must hand in a note stating that the student practiced signed by a parent or guardian.

- 6A and 6B Classes from West and 6B class from East must practice "Disney Dazzle" medley
- 6C and 6D Classes from West and 6A class from East must practice "A Musical World of Walt Disney" medley

The Chorus Practice Homework Sheet is worth 20 points every week. If not handed in, then students will receive a zero for their homework grade. If handed in late, then students will have to have points taken away for being late and will not receive full credit.

The practice logs will be given out for a total of 4 weeks until the spring concert on April 7th. This will equal 80 points total in the assignments category for choir class for Semester 2. This is their ONLY homework assignment for the year.

Students can still request a practice CD of the songs to practice with.

Please sign, cut & return this bottom portion to Mrs. Dittlof

I, _____ (student name and grade) am aware of the choir homework assignment above and understand that these homework assignment practice logs will equal a total of 80 homework points for Semester 2. I also understand that full points can only be given by having practiced 50 minutes per week, a parent/guardian signature of every practice log, and handed in by due date (every Wed.) to receive full credit.
