Chorus Homework Practice Sheet: Minimum of 50 minutes a week; or 10 minutes a night 5 times a week. You may note extra time on the sheet. If you did only two nights you could do 20 and 30 minutes; or 50 minutes in one night. You may chose however you practice as long as it is at least 50 minutes a week. This needs to be done in order for students to memorize all of the words.

Chorus Homework Practice Sheets, songs and lyrics are available in the choir classroom and on the chorus website: <http://ktec.kusd.edu/middle-school-choir/>

You will need internet access and a printer to print any sheets or forms from home, otherwise they will always be in the choir room.

If the Homework Practice Sheet is LOST, STOLEN, eaten by the dog or goldfish, the student must hand in a note stating that the student practiced signed by a parent or guardian.

- 7th grade students must practice “Kids on Broadway” medley
- 8th grade students must practice “Christmas on Broadway” medley

The Chorus Practice Homework Sheet is worth 20 points every week. If not handed in, then students will receive a zero for their homework grade. If handed in late, then students will have to have points taken away for being late and will not receive full credit.

The practice logs will be given out for a total of 4 weeks until the winter concert on December 10th. This will equal 80 points total in the assignments category for choir class for Semester 2.

Students can request a CD of the songs to practice with, otherwise, they can practice to You tube videos of choirs performing the songs on the choir website as well.

Please sign, cut & return this bottom portion to Mrs. Dittlof

I, _____ (student name and grade) am aware of the choir homework assignment above and understand that these homework assignment practice logs will equal a total of 80 homework points for Semester 2. I also understand that full points can only be given by having practiced 50 minutes per week, a parent/guardian signature of every practice log, and handed in by due date (every Wed.) to receive full credit.
