Total Flexibility

- Rental periods start at 3 months. You can receive 2 free months when you rent for 12 months. This discount is available at any time during your quarterly billing cycle. We accept Cash–Check–Credit/Debit Visa/Master and Discover. You can select auto-pay, phone-in, e-mail, fax, mail or stop in to make your rental payments. Credit/Debit cards or checking information is required to start in our program.
- *Children grow and often change their mind* - Exchange sizes and switch instruments at no additional cost within price group. Our rentals allow you the opportunity to try an instrument without having to purchase.

Our program includes FREE Maintenance with our In-House Repair Facility

- Normal wear and tear is covered at no cost to you. Other stores may have a different Idea of what normal wear and tear is. We simply will not take advantage of our treasured customers.
- We know that our customers & teachers can get very frustrated if a student is without an instrument for too long. Repairs are usually completed within 48 hours. Same day loaners are also available if needed. We have full-time repair technicians that hold the highest instrument repair & inspection standards in the area. We offer free repair estimates on all instruments and honest answers to all questions.

Rental Payment – discounts apply towards a new step-up or professional instrument purchase when ready. We offer competitive retail prices (not list price!). When combined with your rental payment discount you will be guaranteed the best price possible. Many other rental programs will have you pay way too much for an entry level off brand instrument! You can rent without any pressure and feel confident as we will help you make your instrument purchase a good investment.
