KTEC Garden Club!

Wednesdays @ 3:20—4:30
Food for Learning room
at KTEC’s west campus

Garden Club is open to all KTEC 5th graders. We will be doing a variety of things from starting seedlings, working with the aquaponic & hydroponic systems, working in the garden beds, cleaning materials, work composting, and doing research to learn more about all types of gardening.

Students are not required to attend every meeting; however, they must stay the entire meeting when they do.

The first meeting will be 2/17

Any students not picked up by 4:35 will be escorted to Konnections and fees will apply.

Please sign and return by Tuesday, 2/16
