Dear KTEC Parents,

The month of October is Anti-Bullying Month and we would like to inform you of activities taking place at KTEC during this month. Throughout the month students will be discussing the character traits of “Responsibility” and “Friendship” in their classrooms. During counseling lessons they will have more opportunities to learn and become more aware of the impact their actions and words can have on those people around them, in both negative and positive ways. **We will be promoting anti-bullying by celebrating “Unity” and in recognizing National Unity Day on October 21st. Students will be encouraged to wear Orange on the 21st.**

On the back-side of this letter you will find information regarding an assembly on October 20th. This assembly is free for KTEC because it is provided on the philosophy of paying it forward. A requirement of having the assembly is that we raise funds thru the sale of Yo-Yo’s for 5 days after the assembly. The money raised from the Yo-Yo sales will provide the funds for another school to have the assembly. From October 21st-October 27th you may send money in with your child to purchase a Yo-Yo during their lunch time (exact change is helpful). There will be a designated area at recess for them to learn and play with their Yo-Yo’s. If you are available any time between 10:30 - 12:30 for West or 11:00 – 1:00 for East on the dates mentioned above please let us know, your help is greatly appreciated!!!!

Sincerely,

Crystal Callahan - KTEC counselor 359-7127 / ccallaha@kusd.edu

Teresa Carter – KTEC counselor 359-3805 / tcarter@kusd.edu

October 20th - The NED Show Assembly
October 21st – Wear Orange “Unity Day”
October 21st-25th – Yo-Yo sales during lunch
